The cod are coming!!!

Grab your warm gear and get ready for what could be the best cod season we have had in many a year, the signs are looking good and the news on the grapevine is very positive. After a very slow summer with not even the mackerel showing in any great numbers we can at least look forward to biting cold days and bloody freezing nights in search of the big bags of days gone by.

Good Luck Tony C.

At the latest Committee meeting (held on 1st Sept) we were all disappointed to see our illustrious leader retiring from his role as Chairman, he has stressed the point that his personal life and family commitments must take priority over his fishing and with the interests of the club at heart he has come to this very hard decision.

The committee agreed to continue the rest of the season with Vice chairman John Neave now taking over the role of Chairman, and also Robert Ford the current Secretary will take control as acting Treasurer.

The committee also agreed to work as a team on all events to maintain the consistency of the club.

With our numbers growing at a steady rate and a new look website we should have an exciting season ahead of us. And I am sure as a club on the whole we wish Tony Chidwick and his family all the best and hope to have him back fishing with us in the near future.

Sunday 25th Oct.	Kelling	10am to 3pm	Annual Open and Roy Waller memorial
Sunday 1st Nov.	Bacton	9am to 2pm	Foreman Cup & Teams of 5

Orford Island trip:

At the last committee meeting it was decided against hiring a coach due to the logistics involved getting everyone loaded up in time and the expense involved.

It was decided to car share our way down there, with several of the members having larger vehicles and therefore able to take those who do not wish to drive that distance.

The cost of the ferry will be paid for by the club, but to make sure we can get a boat full we need deposits of £10, this deposit will go to the match fee once we arrive.

With several of our older members concerned with distance to travel the car sharing idea should alleviate any concerns and it should be a good day out for all members.

And we look forward to seeing everyone there.

Teams of 5

This year we have combined the teams of 5 events with the club matches enabling all members to fish both, two or more teams can be entered and we hope all club members will for teams as entry is now free. Please speak to Dene or Tony T if you wish to organise a team, you can also fish these events as an individual.

Next Committee Meeting 27th October
